Overview

Fantastic Home and a great hobby farm with room for all your animals and gardening! Do you want privacy and seclusion? This is your place!! Private drive just off a paved county road. Extremely affordable electric bills, as this home comes with 36 solar panels Home is spacious and has had many upgrades all in last 3 years. Newer kitchen cabinets, granite counters and appliances, formal dining and also an eat in area in the kitchen. Huge living room with cathedral ceiling and a gas log fireplace. Large master bedroom with a great master bath and closet. Two additional nice sized bedrooms and hall bath on the main floor, laundry is also on the main floor. Now on to the basement!! Here you will find a spacious family room, with a wood burning free standing stove, a fourth large bedroom and another full bathroom, in addition to a rec room with a wet bar (this room currently is storing moving boxes and has a few finishing touches left to be addressed). Basement also has great storage space and is a walk out. You will love all the trees and the wild life. Peace and serenity await you here. Reserved items: 2nd small refrigerator, curtains, starlink antenna and router.
