Overview

Summertime and the Living Is Easy! Introducing this gorgeous, pool home perfectly sitting on a Cul De Sac in San Dimas. This property has been completely remodeled! As you drive up to the home you'll be greeted with a quiet, friendly neighborhood and a mature shade tree at your door. This home offers brand new windows throughout, brand new garage door with opener, fresh paint inside and out, new shutters, plants, and an extra wide driveway with RV parking. As you enter the foyer, you'll see the home has luxury vinyl plank flooring throughout the first floor. To the left you'll find a remodeled powder room and to the right you'll be greeted with a brand-new kitchen with champagne fixtures and Quartz countertops. The open floor plan expands to the living room, a family room with a re-finished porcelain fireplace, and an expansive patio or recreation room complete with 3 ceiling fans and its own mini-split AC and Heating unit. Also downstairs is the gigantic primary bedroom and ensuite bathroom featuring a large walk-in closet, its own AC wall unit, and a window seat with picture windows. The primary bathroom includes 2 separate sinks, a make-up vanity, generous amounts of Quartz countertops, and a brand-new tiled shower. Upstairs you'll find all of the flooring has brand new carpet and each of the 3 bedrooms are very comfortable in size with mirrored closet doors. The upstairs bathroom is very charming and was recently updated. The HVAC unit was replaced just last year. As you stroll into the backyard, you'll find the large re-plastered pool and a shed for storage. The yard has plenty of room for pets. With the 210 and 57 freeways just a few minutes away, this home is located in a perfect location. WELCOME HOME!
