Overview

Another great unit near mini-golf with some nice views. Includes deck and shed and built-up retaining wall area. Back area has not been developed but has potential. This unit is one that has plenty of parking for friends and family across the path. Bring your own RV onto this site and check it out! Fits most any size unit. Family and friends can make this their new summertime hang out without all the packing and planning and hauling an RV around! Enjoy the 550+ acre Cokato Lake and all the great recreational activities. Lake is over 50 feet deep and well stocked with fish! No need to hunt for a camping opening when you can OWN at the Best RV Park in Minnesota!
