Overview

Looking for that Right House in the Right Location with a Pool to offset these Dawg Days of Summer? This is it! You can close on this property and still have swim time this summer and enjoy the huge backyard and patio offered at this property. Huge yard with 2/3rds of an acre, inground gunite pool with slide, sundeck, alcove and easy swim out just off of the large covered back patio make this a wonderful property for entertaining. 3 bedrooms 2 and half baths with sunroom. Half bath accessible to pool area. It has a brand-new roof and a storage shed out back for all your outdoor toys and tools. Large Primary suite with private access to pool area. Primary bath has large walk-in closet with separate vanities, jetted tub and separate shower. Electric car charging port in garage and front flower beds are sprinklered. Super accessible to shopping, schools, city park and everything Lumberton has to offer. Call and set your appointment today to see this beautiful home.
