Overview

Home ownership without the hassle! This spacious condo feels like a single family home without the extra work. The unit has a private entry and attached 2 car garage. Easy access with stairless entryways. Furnace and A/C, new in 2023. The kitchen with up-dated appliances, provides plenty of space with a dinette and pantry. Organization won't be a problem. The washer and dryer are on the main flr. Enter the light and airy great room and dining room with patio door to deck. A half bath completes the 1st flr. Upstairs is the impressive primary bdrm with cathedral ceiling, attached bath and walk in closet. The 2nd bdrm, 2nd full bath, linen closet and loft area complete the upper layout. Finished basement has extra storage and work space. Near shops, parks and freeway. You'll love living in this pretty place!
