## Overview

Absolutely gorgeous! Nothing to do but move in! This all brick four bedroom, four bath home sets atop the bluffs on approximately 1.2 acres in Stoneledge Subdivision. The main level has large inviting rooms, a cozy fireplace and features a somewhat open floor plan that includes a Kitchen with granite countertops, an island counter, breakfast area, family room with gas fireplace, living room, dining room, laundry and a half bath. The splendid glassed-in sunroom is off the kitchen and perfect for your morning coffee, enjoying the private back yard or entertaining friends and family. The upper level includes a wonderful primary bedroom with on suite bathroom and a spacious walk-in closet. There are three additional bedrooms with a large hall bath. The lower level walkout offers more great family or entertaining space with a kitchenette, rec room, bonus room, lots of storage and a private patio overlooking the backyard and woods.
