Overview

Nestled on a quiet, family-friendly cul-de-sac in the Briarcliff Lakes subdivision, this thoughtfully updated home features 3 bedrooms plus a basement bedroom, 1.5 baths, and a welcoming layout. From 2018-2020, the kitchen underwent a modern transformation, showcasing quartz countertops with a waterfall edge, 42 cabinets, a deep stainless steel sink, and a stylish hexagon tile backsplash. New appliances (2021/2022) and deeper-than-average countertops add functionality and flair. Luxury vinyl flooring, installed throughout in 2020/2021, complements the recently painted interior. The basement offers versatility with a 4th bedroom, a bonus/storage room, and an office nook equipped with an ethernet hookup. A striking industrial railing adds character to the staircase. The property includes a utility/storage room in the garage and allows pets with HOA approval. Conveniently located near Village Green Park and Presidents Park, with schools and the College of DuPage just a short drive away, this home is perfect for families seeking both style and convenience.
