## Overview

Under construction on a large walkout homesite in the Railside West neighborhood in Byron Center is the Harper by Bosgraaf Homes. This Harper contains 5 bedrooms, including a main floor owners suite, and 3 and 1/2 bathrooms. The main floor has a gourmet kitchen with an large center island, external hood vent, quartz counters, a walk in pantry and GE stainless steel appliances. The soaring ceilings and windows of the two-story gathering room and two-sided fireplace impressively great guests. The main floor owners suite features a gorgeous tile shower with a Euro glass door. The upper floor has three bedrooms, a full bath and a loft. The walkout lower level provides a fifth bedroom, full bathroom and large living room.
