Overview

Discover your next fix and flip gem with this charming 3-bedroom, 2-bathroom single-family home, spanning 2,025 sqft on a serene 5-acre lot in Lorena. This property is perfect for those seeking a peaceful retreat, featuring a welcoming front porch with breathtaking views. The lot includes a stock tank, two outdoor storage buildings, a workshop, pens, a carport, and covered front and back porches. Inside, you'll find large rooms, an office, and a dining space, plus a spacious two-car garage. There's also a third unfinished bedroom just off the garage, ideal for multi-generational living or a rental with its own private entrance. With great potential and an ideal location for those working in Waco or nearby cities, this home is ready to be transformed into your perfect sanctuary.
