Overview

The kitchen has undergone a beautiful renovation, featuring a large countertop, new appliances, fresh paint, and a newly installed bathroom vanity. This spacious unit also offers extra storage on the same floor.

Situated conveniently close to NYC, this location provides easy access to all the attractions and amenities of the town and neighboring cities. The second-floor unit facing Palisade Avenue boasts potential, with a generous 1211 square footage, low maintenance, and taxes. The master bedroom includes 2 walk-in closets, a pantry closet in the hallway, and a spacious coat closet in the foyer. With your artistic flair and vision, you can redecorate this pristine apartment to your liking. The prime location and impeccable condition of the unit will surely meet your expectations and satisfy your curiosity for a new place to call home. The PALISADIUM GYM is just steps from the building, offering membership to residents.. Parking is \$75/month, for garage parking and \$58 per month for
