## Overview

Take a look at this gorgeous new home located in the Veranda, a 55+ adult living community. Luxury living is found around every corner of this 2228 sq. ft. 2 bedroom, 2 bath zero entry home. You will love the mixture of formal and informal living areas throughout. The living room offers cathedral ceilings and a beautiful custom built-in entertainment center. The formal dining room is spacious. The home office offers charm with its french doors and custom built desk with a large window that overlooks the front yard. The kitchen was created for a clean and timeless look with its white cabinetry, beautiful sleek backsplash and stainless steel appliances. The abundant amount of storage space the kitchen offers, keeps all the extras nice and neat. The oversized owners suite includes a large bathroom with double vanities and walk-in shower. The closet offers build-in dressers, shelving and plenty of hanging space. In addition, an informal dining area, recreation room off the back patio, laundry/storm room, bedroom and full bath offer more living space. You will feel like you are on vacation with all the amenities that are offered for enjoyment and relaxation. They include a community lake, in-ground pool, club house with guest room (needs to be scheduled for occupancy), hobby work shop, horse shoe pit, pickle ball court and a children playground for when the grandkids visit:) In addition yard care and snow removal can also be included.
