Overview

Step into this beautifully updated 3-bedroom, 2.5-bathroom townhome in the heart of Suwanee, where modern upgrades meet timeless style. The kitchen now boasts a sleek new floor that pairs perfectly with elegant chandeliers, creating a warm and inviting space for entertaining or everyday living. The bathrooms have been transformed with a brand-new shower and chic floating cabinets, offering both a contemporary look and smart storage solutions. Throughout the home, updated cabinetry adds a touch of sophistication and practicality, ensuring every corner is as functional as it is beautiful. Outside, the back patio provides a private retreat, while the community features a playground, pool, and picturesque pond for endless outdoor enjoyment. With a spacious two-car garage and a prime Suwanee location, this home offers not just a place to live but a lifestyle to love. Dont miss out on this stunning townhomeschedule your viewing today!
