Overview

This rare find in the serene East End is your turnkey ticket to coastal living, just bring your suitcase! Whether you're entertaining or escaping for a quiet retreat, this home is ready for it all. The vibe here? Sophisticated yet relaxed, with a beachy feel that flows seamlessly from indoors to out in this thoughtfully designed home. The open living area features a gas fireplace, perfect for chilly evenings or casual gatherings. The primary bedroom is a true retreat with soaring cathedral ceilings and an ensuite bath with double sinks, tumbled marble tiles, and an oversized glass-enclosed shower. French doors open to your own exclusive patio area. The second bedroom, currently set up as a combo office/guest room, easily accommodates whatever suits your needs. The private, fully-enclosed yard with lush native plantings and a stone patio is perfect for dining al fresco or cozying up around a fire pit. This home is steps from beach access in a peaceful neighborhood.
