Overview

This meticulously maintained home is waiting for your cosmetic creation. Located in the heart of Waterville in a quite and pleasant part of town. Conveniently located near shopping, dining and many other amenities. This charming home has so much potential. The spacious and open concept downstairs is splendid for entertaining. With a little modifying this has the potential for an accessory dwelling unit. The private and quaint backyard is a perfect place for children to play and plants to grow. Quick access to I-95 and just 15 minutes from Augusta. Come make this place your home and enjoy all wonderful things Waterville has to offer.
