## Overview

If you are looking for privacy and a birdseye view of Lake Cumberland from the property. This 16.7 acre land is just what you have been looking for! There are NO Restrictions! This log home was built in the 70's by the owner. He later put vinyl siding on the home. The metal roof is only 6 years old. It has 3 Bedrooms and 1 Bath. The kitchen and living room are very inviting. Realtor sign in the yard. There is also a trailer on the property, but it is mostly for storage. It could remodeled and made livable. This would be great for people needing dual residence on a property. (More photos of he home and property will be added next week.)
