Overview

Under construction, this beautiful 4 bedroom/2.5 bath home offers numerous upgrades. Will be ready Dec 24. Custom gourmet kitchen with breakfast nook, oversize island, quartz countertops, Merillat stacked cabinets, provides tons of storage. The kitchen opens to the great room with a gas fireplace. 9' 1st floor ceilings with beautiful wood flooring throughout the 1st level. Upstairs 4 bedrooms with an extra-large bonus room. Master bedroom has a tray ceiling and enters a luxurious ensuite master bathroom with a freestanding tub, separate full tile to ceiling shower, and European glass door. The 2.5 car garage offers 2' extra depth, is insulated, drywalled with 8' height openings. Full basement is plumbed for a full bathroom and is a canvas waiting for you to finish.
