Overview

Perched within the exclusive enclave of Pacific Palisades, this architectural compound embodies the pinnacle of California living. Set back on a quiet street and beyond a gated, long driveway sits a masterfully built estate. Spanning 12,000 square feet on a nearly one-acre lot, the secluded property offers breathtaking ocean, city, and canyon views along with an array of luxurious amenities. The interior is flooded with natural light and harmonizes elegance, sophistication and functionality with 14' ceilings, limestone floors and pristine finishes. The chef's kitchen, complete with beautiful marble countertops and a butler's pantry, extends to the dining room and living room. Approximately 80 feet of pocket doors open, revealing dramatic ocean and city views that are a seamless continuation of the striking 50' infinity edge pool. The backyard offers an outdoor kitchen, al fresco dining spaces, a step-down fire pit lounge area, a pizza oven, pool, and a lush grass lawn with endless ocean views. The main house features five spacious bedrooms, each with its own ensuite bathroom, and an additional three half bathrooms. The primary retreat features a massive walk-in closet, two fireplaces, and a spa-like bathroom with an oversized shower, heated floors, and tub overlooking the ocean. Bonus spaces include an office, movie theater, game room, and bar. The compound's meticulously landscaped grounds host a separate 1-bed, 1-bath guest house complete with a full

kitchen and living room opening to treetops and ocean views. Furthermore, additional structures include a pilates studio and gym, and an indoor basketball court. The estate is equipped with a large three-car garage, ample additional parking on the motor court and private driveway, and a state-of-the-art security and tech system with Control4, speaker system, security cameras and alarm systems. Located moments from the ocean and Palisades Village, this magnificent private estate is in close proximity to the best dining, hiking, golf courses, shopping, and coffee shops, in one of the most exclusive and serene areas of Pacific Palisades.
