Overview

Under construction!! 4 weeks or less to be finished. Just minutes from historic Talking Rock that has a park with walking trails, restaurants and antique stores!! Located just off Hwy. 515 N. Home is situated on a secluded 1.5, wooded acres. Usable land. Craftsman ranch with a full daylight terrace level and stepless entry. Home has concrete lap siding/ board and batten accented, stone facade and wood tone shutters!! An oversized 2 car garage is attached. The home has an inviting front porch with an 8-foot entry door. Stepping into the Great Room you glance at the Luxury Vinyl Plank flooring that is throughout the home. The floor to ceiling stone FP w/gas logs is massive as it reaches the vaulted beamed ceiling accented with shiplap. The kitchen is open to the great room and boast stained cabinetry with soft close drawers, granite counters, a pantry, work island and all stainless appliances. From the kitchen you walk out to the spacious covered porch with trek flooring and a warm tongue and groove ceiling. The back yard has total privacy. Stepping in from the porch to the right is the master suite. Master has a vaulted ceiling, 8 foot custom doors and a large walk-in closet all light filled. The master spa has double vanities, granite counters, a linen closet, a private water chamber and a spacious walk-in shower. This split bedroom plan offers guest privacy. 2 spare bedrooms have their own private full bathroom with granite counters, tile tub surround and floors. Professionally landscaped. A much sought after location.
