Overview

Nestled on 10 scenic, wooded acres with breathtaking views of the Ohio River, this property offers endless possibilities. Ideal for those looking to build their dream home, enjoy outdoor activities, or take advantage of the spacious land for various uses. The property includes a 3-bedroom, 2-bathroom home, a pole barn, and a storage shed, with a 20-acre park conveniently located across the street. Zoned A-1, this land provides flexibility for future development, including the potential for subdivision with a second address already established, featuring existing utilities. Explore the natural beauty and potential that this unique property has to offer.
