Overview

Welcome to Glen Hollow. Beautiful home situated on a .24 acre lot, just a few houses down from fishing pond, playground, walking trails and a very short walk to local neighborhood pool and Whitt Elementary. You will be greeted with wide open living spaces and beautiful hardwood floors. This is a highly desired floor plan built by Highland Homes, with open living concept, oversized kitchen, large office, gameroom with wet bar, media room and built-in desk in between bedrooms. Jack n Jill layout and a 4th bed that would be great for a guest suite. Master suite is tucked away off the living room, with a bay window for additional seating, a soaking jetted tub, and a large walk in shower. Great private backyard with 8 board on board fence, fireplace, and lots of room to roam or even build a pool.
