Overview

This nearly brand new home features one of the most of thought-out single-story floor-plans in the Park Meadows addition with 4 bedrooms and 3 full bathrooms with one of the bedrooms having its own en suite, making it an ideal junior suite for housemates or a well-appointed guest suite. As you step inside, and through the entry you're greeted by open living spaces with nearly 10-foot ceilings and wood-look laminate flooring! In the heart of the home is the spacious kitchen with extra-tall cabinets, quartz countertops and a breakfast bar. There's also room for a second small dining area in addition to the current dining area! The living room is spacious and bright, thanks to extra tall windows that let in plenty of natural light. Every bathroom is appointed with quartz countertops and tiled showers. The primary bedroom is huge and features a walk-in closet and an en suite bathroom complete with a large soaking tub, separate tiled shower, dual vanities, and a second full-size walk-in closet! Step outside to the backyard where you'll find a covered porch and manageable yard space perfect for enjoyment without excessive upkeep. The Park Meadows community offers a covered playground, gazebo with picnic tables, and occasional visits from local food trucks, making dinner and meeting your neighbors easy! Plus, you're conveniently located in

Midway ISD and not from I-35 and Highway 84.
