Overview

Immaculate country estate on two sprawling acres! The home boasts a large kitchen with an island/breakfast bar, hardwood floor, and a pantry. The dining area features a gorgeous open wood staircase, while the living room offers a lovely arched window. The main floor also includes a bedroom, full bath, and a laundry room. Upstairs, you'll find an expansive primary suite with a cozy sitting area and a full bath with a shower/tub combo and a luxurious jetted tub. Two additional bedrooms and another full bath complete the upper level. The lower level offers a rec room w/bar area (unfinished ceiling in the bar area) and a bedroom. Outside, a beautiful wrap-around porch offers a peaceful view of the yard. Also, there is a 4-car garage w/workshop, firepit, and garden area. Truly a must-see!
