Overview

Prepare to fall in love with this spacious 4 bedroom, 3.5 bath home situated on a quiet cul de sac in the Brentwood neighborhood of Crestwood! There is no shortage of curb appeal as you are welcomed by a covered front porch and beautiful landscaping into the foyer. The open floor plan is highlighted by the soaring ceiling, exposed beams, and abundance of natural light that comes in from the large sliding glass doors. This room is open to the kitchen and dining area allowing you to effortlessly entertain guests. The sliding door from the living area leads to the covered backyard patio that overlooks the fenced in yard. In the kitchen you will find an island with a breakfast bar countertop for additional seating as well as a large dining area that can accommodate a good sized table. You will appreciate the convenience of the first floor primary bedroom that boasts a vaulted ceiling and spacious en suite bathroom with a double sink vanity, walk-in tile shower, and separate soaking tub. Just off the primary bedroom is the perfect room for a home office or anything else that suits your needs. The laundry room/mud room offers cabinets and countertops for storage and a sink for added convenience. Make your way upstairs where you will find 3 additional bedrooms, one of which has an en suite bathroom. The other 2 bedrooms are also generously sized and share a Jack and Jill bathroom. There is another bonus room on the second floor that gives you the flexibility to use as a den, office, playroom or anything that suits your lifestyle. The unfinished basement allows the opportunity to expand the finished space or simply use as overflow or seasonal storage. The sellers are open to a lease back option while they build their home. Make sure you get a chance to see this amazing house and make it your new dream home - schedule a showing today!
