## Overview

Discover Enchanted Forest Living! Nestled in the pristine Enchanted Forest Estates, this home offers a perfect blend of comfort and natural beauty. As you approach, the babbling brook water feature welcomes you, and the inviting covered front porch sets the tone for tranquil living. Step inside to the main floor and you immediately notice the impressive vaulted ceilings, a spacious living room with built-in bookcases surrounding the cozy fireplace, the dining area, and the backyard forest flooding through the windows. The updated kitchen boasts granite countertops, the center island, a breakfast bar, and the dining bay, perfect for casual dining. A separate family room/den with a second fireplace provides additional space for relaxation, while the game room/lounge with a pool table and seating area offers plenty of entertainment options. The main level also features a half bath, the laundry room, and 3 car garage access with built-in cabinets and a bonus workshop. Head upstairs and the primary suite awaits with a walk-in closet and luxurious bathroom, complete with dual sinks, a soaking tub, and a separate walk-in shower. Two additional bedrooms and the other full bathroom complete the upper level. Ready to go outside? The relaxing back deck overlooks a forested setting, giving you that sense of seclusion, while fruit trees closely loom, and peek-a-

boo valley views add to the property's charm. Modern conveniences include a whole house generator and air conditioning, ensuring year-round comfort. This great location is also centralized around many mountain gems including Snow Valley, Sky Park, Lake Arrowhead Village, Running Springs town with the seasonal farmers market, and for those commuters, there is easy access to Hwy 330. With ample parking and the serenity of forest living, this home seamlessly combines modern amenities with natural beauty. Schedule your viewing today and experience the enchantment for yourself.
