Overview

Open Sunday, August 25, 2-4:30. This 3 bedroom, 2 bath corner condo is the epitome of luxury, sophistication and style. Located on the second floor of a BACK building, the views are literally breathtaking. Enjoy the quiet, privacy and streams of light only an end unit affords. This large home, over 1,650 sq. ft, has an oversized (15' x 15') solarium, eat-in kitchen, wood-burning fireplace, and a deck. But the showstoppers are the many custom upgrades. These include: new vinyl double-paned solar glass solarium windows; both baths fully remodeled; new gourmet appliances; new paint, carpet and baseboards; new window coverings in the kitchen and bedrooms; new custom lighting; and MUCH MORE! 2 parking spaces and 2 storage lockers all located in the same building. Washer and dryer are in the condo. HOA facilities include: year-round heated pool; gym; saunas; spa; tennis courts; clubhouse; community garden; and EV charging stations. Richmond is great for commuters. Easy access to Berkeley, Oakland and Marin via 580. Or take the new ferry from Richmond to SF. Richmond also has an Amtrak station as well as 2 BART stations! Napa and Sonoma are a short hour away by car. This is more than a home; it's a lifestyle upgrade waiting for you.
