Overview

Super Ranch Home with SPACIOUS GARAGE in Wenona! Check out this updated one-story home with 30' x 30' attached, heated garage. The main level consists of kitchen with dining area, living room, full bathroom and three bedrooms. More to like in the full basement with plenty of functional space and includes a sink and toilet. The home is attractively set on a large, center lot (120' x 160'). The lot is improved by a detached garage and a small storage shed on concrete pad with an additional 10' x 20' concrete pad formerly used for a dog kennel. The lot includes several mature trees, an extra wide concrete driveway and is in an ideal location, just one block from Wenona's business district. JUST MOVE IN to this cute home and enjoy the cozy community of Wenona with its active business district and many town festivals and events!
