Overview

If you are looking for a space for all your needs, this is the one for you!! Large entryway will grace you as you enter the door. Good sized dining room will allow for your entertaining needs. Large kitchen with an island, plenty of cabinet space, an eat in space that opens to a family room with a fireplace to enhance your winter evenings. Main level also includes an office space and large mudroom to help catch all of your coats and boots! Upstairs is a large loft area for everyone to hang out! 4 ample bedrooms and laundry room complete the upstairs. Don't miss the double sinks in the primary bath as well as the walk in closet. Attached 2 car garage with bump out and built in workbench and storage. Outside is a fenced yard and lots of perennials to surprise you in the spring! Hydrangeas, hostas, lillies and peonies make this house a gardeners delight. Welcome home!
