Overview

Attention Investors! Step right into this cash flowing armchair investment opportunity in the desirable Chicago suburb of South Holland. This property is currently leased for \$1,853 to an excellent long-term tenant. Tenant pays all utilities and is responsible for lawncare/snow removal. This 4 bed 2 bath home is located on a great block and the tenant has expressed they would like to renew their lease with the new owner. Newer roof! Property management in place and willing to stay on with the new owner. Property to be sold as-is with the tenant in place.
