## Overview

Country Setting - 5 Acres - 3,900+ Finished Sq. Ft. - Gorgeous Bathrooms - 3 Car Garage - Theatre Room and More! What could be missing in this updated country charmer? This home sits atop five partially wooded acres. It has 3 main floor bedrooms and an open concept between the main floor kitchen and living space. High ceilings are throughout the entire home including the basement. The master suite boasts a walk in shower, jetted tub and walk in closet. A secondary bedroom also has a walk in closet. In the daylight basement you'll find plenty of extra room, currently featuring a theatre room, rec room, and office space. With a full bathroom already in place the basement could feature more bedrooms. There is also a golf simulator in the theatre room. This home features many upgrades and has tons of special features. This rarity won't last long, get a look soon!
