Overview

Step into modern living with this 2022-built, energy-efficient home that combines space, style, and comfort. Boasting 3 bedrooms and 2 bathrooms across 1,664 square footage of living area, this property is perfect for those looking for a contemporary abode. The open concept design is accentuated by high ceilings, creating a sense of grandeur and openness, ideal for both relaxation and entertainment. The heart of the home, the living room, is adorned with a cozy fireplace, perfect for creating a warm atmosphere on chilly evenings. The master suite features a walk-in closet, offering ample storage and organization for your wardrobe. Step outside to a generous 8,937 square foot yard, providing abundant space for outdoor activities and gardening. Situated in a prime location, enjoy the financial advantage of paying county taxes while being closely connected to the city's conveniences. Plus, this property is USDA eligible, offering potential for additional financial benefits.
