Overview

Embrace the charm of lakeside living in this nostalgic 2-bedroom, 1-bath log cabin nestled on 11.5 shared acres with 1,100' of shared frontage on Wisconsin River leading into full rec Lake Alice for awesome angling opportunities. This cozy retreat features a stone gas log fireplace, vaulted ceilings, enclosed porch, and large lakeside deck perfect for grilling/relaxing and soaking in the Northwoods ambiance. Sale includes a 12x28 storage unit and a 8x12 yard shed for all your outdoor gear. Enjoy direct access to ATV trails from the road and snowmobile trails from the lake, making it a paradise for outdoor enthusiasts. Common shared elements include a basketball hoop, playground, and boat launch. Whether looking for a peaceful escape or an adventurous retreat, this log cabin is a perfect getaway. Don't miss this unique opportunity to own a piece of paradise on Lake Alice. Cabin includes additional 12x34 area to expand onto the existing cabin and deck if desired or for new construction!
