Overview

Situated on the best lot in the area, this Decatur home won't last long! This Lake of the Woods property offers 3 beds, 2.5 baths, and 2,500 sq. feet. As you step inside, you'll be immediately captivated by the expansive windows that frame the serene lake, flooding each room with natural light and providing uninterrupted vistas of the shimmering waters and the most amazing sunsets! Whether you're in the living room, kitchen, or bedroom, you'll enjoy a picturesque view that changes with the seasons. Around the corner, the large kitchen provides an abundance of space for storing and preparing your favorite foods. A washer and dryer are conveniently tucked away in their own room with a variety of built-ins and a sink. Indoor gatherings are best held in the spacious walkout basement with plenty of open space for entertaining. The property also features a new air conditioning system and a high-efficiency water filtration system for a comfortable and healthy living environment year-round. Outside, the cozy patio offers direct access to the lake, where you can relax and unwind by the water's edge. Not to mention, you will also find a 2022 Amish built shed with electricity, which provides ample space for water toys. To see the property in person, schedule a showing with your favorite agent today!
