Overview

WOW! Wait until you see this meticulously maintained home in prestigious Aintree!! This home features almost 3500 square feet featuring formal living room and dining rooms with hardwood floors, gorgeous kitchen with cherry cabinets (all with soft close doors/drawers), top of the line stainless steel appliances and porcelain floor! Awesome family room with hardwood floors, beamed ceiling and brick fireplace which opens to light and bright sunroom overlooking stunning yard! Four large bedrooms upstairs - all with hardwood floors and walk-in closets! Master suite with fireplace! Huge second floor laundry! Absolutely gorgeous fenced backyard! Three car garage!! Newer roof, gutters, trim paint, HVAC and water heater! Deck stained in 2024, hardwood floors in 2023, irrigation system in 2018, new driveway in 2016! Pella windows! This home is impeccable! The best location down the street from award winning D303 schools, parks, Pottawatomie Park, Fox River, downtown St. Charles, shopping and restaurants! Awesome!!
