Overview

NEW LISTING! Located in Heard County on 5 acres!!! Beautiful 1940s home that has been updated and remodeled! This home provides a nice front porch with stunning views of country bliss and your own private sanctuary to escape the busy public world. Two bedrooms with a bonus room that could be used as a huge laundry room, storage room, or even as a third bedroom! Two baths, open living room and open kitchen floor plan with an eye appealing island! One smaller shed and one huge shed in the back, plus a car port. One year old metal roof and two years old water heater! Electric heating/air and high speed internet! This home also provides two other porches around the side and back of the home. Private and peaceful, home with five acres in heard county, one acre cleared, four acres wooded behind home. Tons of potential to make this your true dream home!
