Overview

Check out this unique 3-bed, 1-bath, 3-car garage log home located in Moline. Situated on a spacious double lot, the property offers both the charm of a traditional log home and modern conveniences. Inside, you'll find exposed logs throughout, adding warmth and character. The main floor includes a formal dining room, an informal dining area, an adjacent kitchen, and a cozy living room. The upper level has a loft space - perfect for a home office or additional living area - and the 3rd bedroom. The house sits atop a 0.67-acre lot and includes a detached 3-car garage and separate carport. The exterior is clad in durable wood siding and metal roofing, ensuring longevity and minimal maintenance. The front porch provides a serene spot to enjoy the sprawling yard. Notable updates include a furnace replacement in 2021 and a freshly paved driveway in 2020. Don't miss your opportunity to own such a rare log home in the middle of Moline.
