Overview

35+acres with direct county road accessTwo great private building site optionsNice meadow with seasonal creek and old homestead would make for a great place with a few horses. Upper ridgetop build site at the end of the private dead-end cul-de-sac will offer great snow-capped mountain views! Power is down the cul-de-sac road and the county road. Lots of pines. Lots of options on this private property. Priced at \$99,000
