Overview

Breathtaking views from this brand new executive Modern Contemporary (mid-century modern vibes) home! 3 bedrooms, all ensuites (one with steam shower!), have views that one could only dream to wake up to! Two of the bedrooms are lake front and boast views of water in every direction that are unparalleled in lake front homes. The great room/ kitchen area has unique features: extra-large fireplace for additional ambiance, Bosch appliances, solid surface counters, custom cabinets, walk in pantry, custom back splash, open shelving touches and sliders to extra-large covered porch and decks with AMAZING water view. Large living/dining area adds additional entertaining and relaxation space. Covered front porch entry, covered portico with cobblestone base, circular driveway, two separate heated and cooled garages with extra quiet opening systems, large lake facing deck/porch with trek decking provide exterior comfort and warmth. A laundry/mud room area and half bath off the garage are conveniently located for guest entry from garage. This home boasts ICF construction, safe room, high quality windows, plumbing, doors and all accessories. No expense was spared. This home was built to last for generations! Sitting on approximately 1 acre of bluff lakefront with plenty of room to add additional garage for boats, ATV's, etc. this exceptional home is close to all lake amenities, boat launches, boat storage, etc. All appliances are furnished with this home.
