Overview

Get two lots for the price of one! Live here year-round, or create income with a vacation rental when youre not home. Needs a well and a percolation test. Bottom part is in a flood zone (just like all the neighbors and lakefront lots). Electric hookup is free, underground power at the street. This lot strikes the balance of that secluded feeling without ACTUALLY being far away from everything you need. Reasonable HOA restrictions. Could this be what youre looking for?
