Overview

Own a gorgeous new construction home in Tolar! The Dawson floorplan is open, spacious and bright, with the primary bedroom separated from the two additional bedrooms for privacy. The island kitchen features granite countertops, stainless appliances and a pantry for additional storage. The owners' bedroom features an ensuite bathroom with a walk-in closet. Ceiling fans are included in the primary bedroom and the living room. Foam insulation gives the new owner relief from high energy bills. On close to one quarter of an acre, you will have plenty of space for family gatherings, for kids and pets to play, a pool or garden--plenty of possibilities! Construction scheduled for completion in October-November.
