Overview

Great location and home for someone with HGTV ideas and plans! This 2 level raised rambler offers a lot of space and opportunity for you to make it your own. Situated on a cul-de-sac with a large mostly flat rear yard backing to trees for added privacy. It features original hardwood floors upstairs. 2 full and 1 half baths 5 bedrooms/office, wood burning stove, rear deck. The septic was recently repaired and in working order. The home needs TLC and will NOT pass all loan types. Seller prefers Cash, Conventional loan, another option could be a 203K loan. Home is being sold as is. The house comes with \$10,000 worth of (interior doors, new toilets, vanities, appicanaces, tub and Luxury Vinyl Flooring).
