## Overview

Turn-key, beautifully remodeled in-town home in the heart of Ely, MN. This inviting, open concept home features 3 bedrooms, 3 baths (one on each level), large open kitchen with stainless appliances and main floor laundry. The main level features mud rooms at both front and back entries, gorgeous, refinished wood flooring in living and dining rooms, high ceilings with wood beams and ceiling fans and a remodeled full bath. Upstairs you will find the primary bedroom with a private bath and two additional bedrooms all with like new carpeting. The basement features a non-egress bedroom with attached bath, storage and utility rooms, high efficiency propane furnace and newly installed fiber optic internet service. Other updates include windows, electrical, plumbing, and fresh paint. Large 2-stall detached garage, a partially fenced yard, and nice tree cover complete the exterior. This home is move-in ready, and most furniture is negotiable.
