Overview

This home is conveniently nestled on 1.04 acres and is sure to impress! Fall in love with this new construction ranch style home that has a popular split bedroom floor plan! This home is situated in a convenient location within the new Reuben Fields subdivision. The features include an open concept floor plan with the kitchen and living area conveniently open to each other. The kitchen is extra special to include granite countertops, an island, plenty of cabinetry and a pantry. Other features include 3 bedrooms and 2 full bathrooms, an extra special primary suite that includes a spacious bedroom, a large walk-in closet and a double sink vanity in the primary bathroom! This home also features a covered front porch, deck, and a full walkout basement and so much more! All of this and the builder provides a 1-year builder warranty! Schedule your viewing today!
