Overview

Step into this beautifully remodeled 1940s gem that blends classic charm with modern upgrades. This cozy 2-bedroom, 1-bathroom home boasts brand-new LVP flooring throughout the house and carpet in the bedrooms. The LVP flooring offers durability and style. The heart of the home, the kitchen, features custom cabinets, elegant butcher block countertops, and a suite of stainless steel appliances, including a refrigerator, dishwasher, and stove. Upstairs, you'll find a versatile bonus room in the attic, perfect for a home office, playroom, or extra storage. Additionally, a sunroom at the back of the house provides a peaceful retreat with abundant natural light ideal for morning coffee or evening relaxation. While the bonus room and sunroom are not included in the heated square footage, they add incredible value and potential to this delightful home. The home's exterior is just as impressive, with a new metal roof that ensures lasting protection and low maintenance. Don't miss your chance to own this charming, character-filled home that's ready for modern living!
