Overview

Custom ALL-BRICK RANCH in TRIAD SCHOOL DISTRICT. Beautiful 2 acre tract with a nice wooded back drop. Unique, open floor plan boasting a vaulted ceiling and a see-through gas fireplace between the great room and Primary bedroom. Gorgeous kitchen cabinetry and a MASSIVE CENTER ISLAND with granite counter top that compliments the new backsplash and updated appliances. Primary bathroom is HUGE, offering his and hers walk-in closets, double vanities, soaking tub and custom-tiled, walk-in shower. Oversized garage has lots of work space and a scrub sink/dog-wash area. Don't miss the 320 sq ft finished space above the garage (not included in total sq ft). This could easily be utilized as another bedroom if needed. Attached POOL HOUSE provides a full bathroom and changing area, along with a 4 SEASON ROOM. Tremendous patio space to enjoy the INGROUND POOL and the beautiful southern sky. Large outbuilding for all your toys and lawn equipment too. Hurry to check out this truly unique home!
