Overview

Constructed in 2017 on the edge of Emden, Illinois on an expansive .82 acre lot, you will find this sprawling four bedroom, two full bath vinyl sided ranch style home! Interior features a large open living/kitchen concept with a center island/breakfast bar as well as an adjacent mechanical room, hall laundry facilities, four comfortable bedrooms -- primary features an adjacent walk-in closet/full bath, and a second full hall bath. Property also features a fenced backyard with an above ground swimming pool, hot tub (sold AS IS), storage shed, and rear deck/porch, front and side porch areas, and off-street parking. City water/private septic system on premises. Choice small town Logan County living with a country feel!
