## Overview

Beautiful wooded mountain lot located near Cosby and Hartford, Tennessee. This 4+ acre parcel is in a sparsely developed area with farm and seasonal mountain views. There is a great building site. that will accommodate one nice-sized home or 2 smaller homes. The best access would be from a pull through style driveway that you could construct along Emilyville Way, This is a very buildable mountain lot that would give you the privacy you want, while also placing you near the area's outdoor amenities.
