## Overview

Premier home site at MOUNTAIN AIR with outstanding long range mountain and valley views with spectacular sunsets. The perfect place to design and build your top of the mountain dream home on this beautiful 1.45 acre property. All underground utilities are in place, including water and central sewer. Very private location close to all amenities and activities that Mountain Air offers: hiking trails, parks, Clubhouse, new fitness and wellness center, private runway, dining, swimming pool tennis, pickleball and more. Club amenities are available with club membership.
