Overview

You will love this updated ranch home on 1.34 acres. It is in the country but not far from the conveniences of dining and shopping. It features a spacious living room, 2 bedrooms and 1 full bathroom, a sunroom, a 2 car att. garage and 2 pole barns. 1 pole barn is 24x24 and the other is 24x40, both have electric and concrete floors. Recent updates include a new roof, updated bathroom, kitchen appliances, fresh paint throughout including the kitchen cabinets, the pole barn exteriors and basement, new kitchen counter tops, refinished hardwood floors in the living room and bedrooms and new lighting throughout as well. The basement has a rec room with a bar and plenty of storage. The 2 car garage ceiling has been reinforced and both doors have openers. The driveway to the house and to the barns are paved.
