Overview

Welcome to 186 Grapevine Road an inviting 4-bedroom, 3-bathroom colonial residence boasting a 2-car attached garage. This property rests upon a 5.39 acre lot. This lot has a large front and side yard perfect for shed/outbuildings. Sit on your deck and take advantage of the relaxing views as you overlook your backyard. Imagine the possibilities, terraced gardens sloping down to your lower yard, lovely spot for a firepit/patio area, and much more. As you enter the home you are greeted with a thoughtfully designed open-concept floor plan, featuring a kitchen seamlessly flowing into a generously sized living room adorned with a gas fireplace. Adjacent to the kitchen, a formal dining room provides an ideal space for both holiday gatherings and everyday meals. Completing the main level is a convenient half bath with laundry facilities situated off the garage, as well as a 12x12 deck accessible from the dining area. Upstairs, four spacious bedrooms await, including the primary bedroom with private ensuite and walk-in closet. Schedule your viewing today!
