Overview

Beautifully maintained 4-bedroom, 2.5 bathroom home situated on a corner lot in a desirable neighborhood. This residence offers beautifully designed brick and a perfect blend of classic charm and modern, stylish living space. The layout features two spacious living rooms as well as a large entertaining space in the finished basement. Adjacent to the kitchen, where all the stainless steel appliances are included in the sale, the dining area provides an open concept, perfect for hosting dinner parties. Each of the four bedrooms are on the second floor, with a generously sized primary bedroom including an ensuite bathroom and walk in closet. The back yard is easy to maintain and is fenced for privacy. This home is all electric and the washer and dryer on the main level are included in the sale.
